THE SKILLS ONTARIO COMPETITION (SOC): May 4-6, 2020 Toronto Congress Centre

More than 2,400+ student competitors from across Ontario compete in one of 70 unique contest areas to demonstrate that they are the best in their field. Over 37,000+ spectators come out to witness the future of skilled trades and technologies in action! The Skills Ontario Competition offers a unique opportunity for top students to demonstrate their skills and enthusiasm for their career choices, wowing educators, family, friends, and prospective employers. It's also a great opportunity for visitors to explore the contest areas and see what's out there in the skilled trades and technologies.

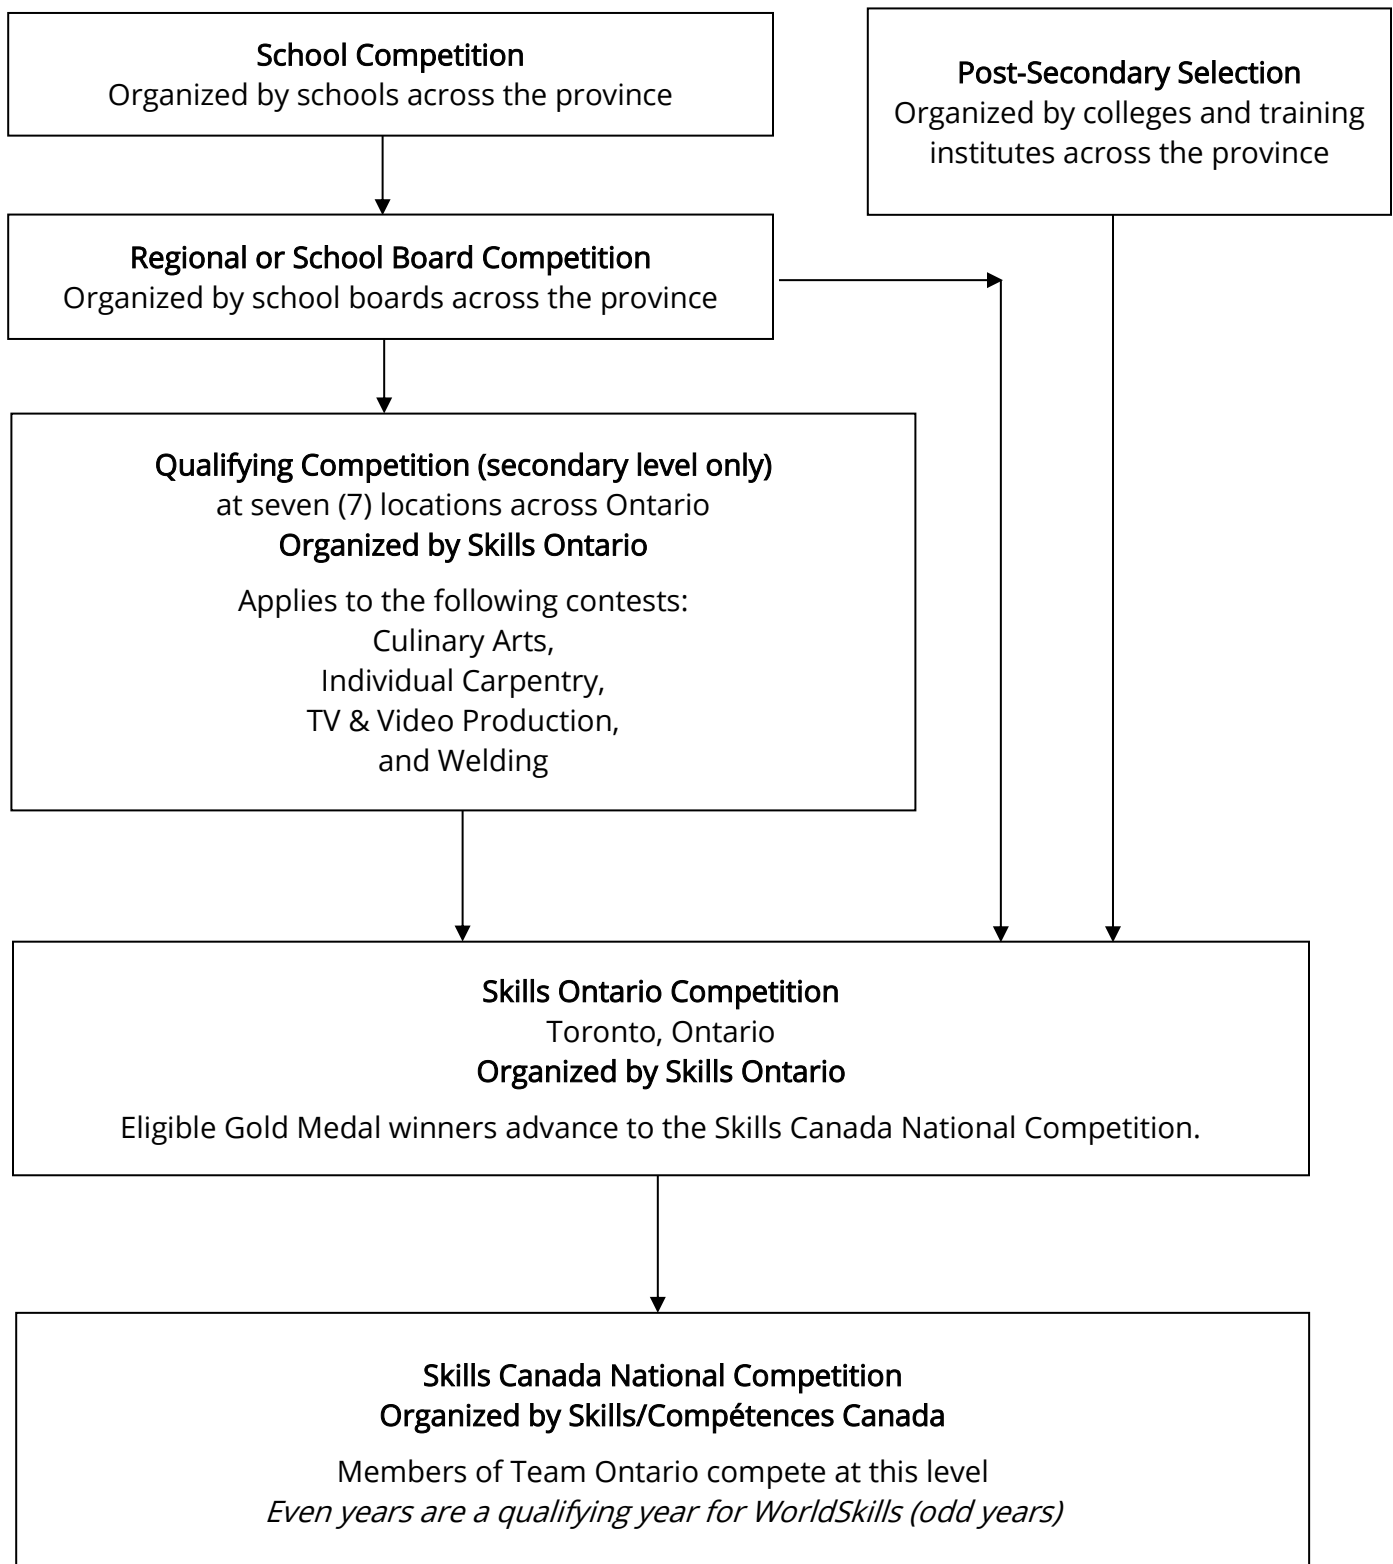

The Skills Ontario Competition also offers:

- **Career Exploration Showcase** - Colleges, unions, and industry partners provide hands-on experiences to demonstrate to visitors what's available to them in the skilled trades and technologies. For more information, please visit <http://www.skillsontario.com/showcase>
- **Elementary Career Awareness Workshops** – Throughout the Monday of the competition, directly on the contest sites, elementary students try a skilled trade or technology by participating in hands-on workshops. For more information, please visit <http://www.skillsontario.com/workshops>
- **Young Women's Conferences** – Through a variety of activities, speeches, and mentors, young women are encouraged and inspired to consider the skilled trades and technologies. For more information visit <http://www.skillsontario.com/ywc>
- **First Nations, Métis, and Inuit Student Conference** – Through a variety of activities, speeches, and mentors, First Nations, Métis, and Inuit youth are encouraged to consider the skilled trades and technologies. For more information, please visit <http://www.skillsontario.com/fnmi#Conference>
- **Elementary Technology Challenges** are open to students in grades 4 through 8 and are hosted on the first day of the Skills Ontario Competition. Students can take part in one of 14 different challenges where they are judged on their design, problem-solving, time management, teamwork, and leadership skills. Students are also invited to tour the competition and visit the Skills Ontario Career Exploration Showcase. For more information, visit <http://www.skillsontario.com/competitions/elementary>
- **Closing Ceremony** – Celebrating the achievements of the competitors, first, second, and third place finishers receive their medals! Tickets are \$10 and are available during the competition at the Info Booth and at the door of the ceremony. For more information, please visit <http://www.skillsontario.com/closing> The pins and medals awarded to competitors are designed by students whose submissions are chosen in the Pin and Medal Design Contests. For more information on the Pin and Medal Design Contests, visit <http://www.skillsontario.com/pin-and-medal>

Qualifying Competitions – Saturday April 4, 2020

They were introduced in 2005 to ensure secondary competitors in the most high demand and popular contests, had the opportunity to compete against peers of a comparable skill level. The top three eligible performers at each of the Qualifying locations move onto the Skills Ontario Competition. Qualifying Technical Committees, including representatives from each participating college and the Skills Ontario Competition Technical Committee Chair, work together to create the guidelines, projects, and judging criteria for these competitions. To maintain consistency, the same contest projects and judging criteria are used at all locations. For more information, visit <http://www.skillsontario.com/competitions/qualifying>

PROCESS FOR PARTICIPATING IN THE SKILLS ONTARIO COMPETITIONS

QUALIFYING COMPETITIONS

The Qualifying Competitions are for **secondary level** competitors in the following four (4) contests:

Carpentry – Individual	TV and Video Production (Team of 2)
Culinary Arts	Welding

Maximum Number of Participants per School Board:

School boards wishing to send a competitor to the Skills Ontario Competition in any of these four (4) contests **must first participate in the Qualifying Competition** in their area. Each school board will be allowed to send up to **TWO (2)** competitors/teams per contest to the Qualifying Competition at their designated college. Please refer to the Space Reservation/ Registration/ Wait List Policy and Fees & Payment Policy section of this guide.

Locations:

All Qualifying Competitions will take place on **Saturday, April 4, 2020** at an Ontario college within the seven (7) designated areas. Please see School Board Divisions list in this guide for a breakdown. Note – if your school board is not on this list or on the registration site, contact competitions@skillsontario.com

For more specific Qualifying location information, please visit <http://www.skillsontario.com/competitions/qualifying/faq>

Contests/Scopes:

The scopes, projects, and judging criteria are created by Qualifying Technical Committees (QTC) and are used at all locations to maintain consistency in competitor advancement across the province.

- Refer to your contest scope for exact agenda and timing of the contest
- Contest scope outlines what competitors are required to bring and what will be supplied
- **Please note** that the contest expectations and scopes at the Qualifying Competitions are **DIFFERENT** from those at the Skills Ontario Competition.
- Qualifying Competition scopes will be posted separately, on the Qualifying Competitions page of our website. <http://www.skillsontario.com/competitions/qualifying/scopes>

Competitor Advancement to Skills Ontario Competition:

Competitors at the Qualifying Competitions must achieve an *eligible* minimum score of at least 60% to receive any ribbon and be considered for advancement. The competitors/ teams with the three highest *eligible* scores in each contest from each Qualifying location will advance to the Skills Ontario Competition, to a maximum of twenty-one (21) competitors/ teams. If both competitors/ teams are from the same school board in the top three (3), both will advance to the Skills Ontario Competition.

There are a minimum of three (3) wild card spaces per each of the four (4) Qualifying contests at the Skill Ontario Competition. These spaces will be awarded upon scores across all seven (7) locations and an email will be sent to the contact shortly after the Qualifying Competition, notifying them if their student achieves a wild card spot.

Please review the Meals section in the guide for more details regarding lunch.

SPACE RESERVATION/ REGISTRATION/ WAIT LIST POLICY

Only designated school board/college/training institution contacts (examples: SHSM/ OYAP Coordinators, Recruitment/ Program/ Operations Coordinators, Administrative Assistants, etc) may reserve a contest space at the Qualifying and/or Skills Ontario Competition. **For more information, please visit <https://register.skillsontario.com>** for the **Registration Procedure** document.

It is the responsibility of the Registration Contacts to be aware of, comply with and communicate all deadlines and relevant information to teachers, advisors and competitors.

Contacts must create an online registration account and have it authorized by the Competitions Department every year. If you do not know who your school board/college/training institution contact is, please contact competitions@skillsontario.com. Please ensure that your contact knows you are interested in reserving a space **before online space reservation opens**. Refer to Important Dates.

Space reservation indicates an interest to participate in the contest and holds a space to be later filled with a specific competitor(s). In the event that a contest has reached its maximum space reservation, requests for spaces will create a wait list. A space is not guaranteed until it has been approved by the Competitions Department. See Important Dates section.

- Skills Ontario promotes the competition as a **benefit of affiliation**, therefore, **preference for space approvals** will be given to school boards who have **fully affiliated** prior to space approvals.
- School boards/colleges/ training institutions will be awarded space reservation in order of request date/ time, with **fully affiliated school boards being awarded spots ahead of those partially or non affiliated**.
- After the **Affiliated Priority Deadline** (reference Important Dates section) all open space reservations will be awarded by request date/time, regardless of affiliation status.
- Non-affiliated boards/colleges/ training institutions may still participate, but the affiliation fee will be added to the competitor fee. See Fees & Payment Policy section.

QUALIFYING, ELEMENTARY & SECONDARY CONTESTS (School Board Contacts)

Online Reservation opens on: **Tuesday December 3rd, 2020 at 9:00am**

- Each school board can request a maximum of two (2) spaces per contest at the Qualifying Competition and a maximum of one (1) space per contest at the Skills Ontario Competition.

POST-SECONDARY CONTESTS (College/ Training Institution Contacts)

Online Reservation opens on: **Thursday December 5th at 9:00am**

Each college/ training institution can request a maximum of two (2) spaces per contest at the Skills Ontario Competition.

For questions regarding the registration process and timelines please contact the Skills Ontario Competitions department at competitions@skillsontario.com.

SCHOOL BOARD AWARD OF DISTINCTION

The Skills Work!® School Board Award of Distinction will be presented to the School Board that shows dedication to the promotion of skilled trades and technology careers through their competitors' results.

Each competitor in the top ten and scoring over 60% receive points that go towards their school board's score. The school board with the highest score with all contests considered, will receive the Skills Work!® School Board Award of Distinction at the Closing Ceremony. Receiving this award is a sign of a school board's continued commitment to supporting students interested in pursuing a wide range of careers in the skilled trades and technologies.

COLLEGE AWARD OF DISTINCTION

Colleges across Ontario play a fundamental role in preparing tomorrow's workforce with the hands-on education required to pursue careers in the skilled trades and technologies. Skills Ontario wishes to acknowledge a college that has demonstrated their commitment to this initiative, made significant investments to the skilled trades and technologies and strived for excellence in the classroom, shop and competition site, with the College Award of Distinction. Results from students' performance at the Skills Ontario Competition, volunteerism and involvement with Skills Ontario initiatives all contribute in determining which College receives the College Award of Distinction at the closing ceremony.

- l) **There will be no on-site space registration at the competitions.** If a student arrives on the day of competition and is not registered with Skills Ontario as a competitor, they **will not be allowed** to compete as a regular competitor. Based on the discretion of the Director of Competitions and Technical Committee they may be able to demonstrate their skills as an exhibition competitor. The student **WILL NOT** be eligible for placing in the medals or advancing to the Skills Canada National Competition.
- m) **LUNCH / WATER FOR COMPETITORS:** If the competitor has **specific dietary needs/restrictions** or tastes, it is recommended that they **bring a lunch/snacks with them.** Competitors should bring a **refillable water bottle** for use throughout the day as water stations will be made available on/near the contest sites. Please review the Meals section in the guide for more details regarding lunch.

- n) **ELEMENTARY CHALLENGES:** It is expected that during sign-in at the contest site, the teacher or an adult representative for the team supply a cell phone number where they can be reached in an emergency and that they routinely check-in on their team(s) throughout the day.
- o) Any contest/scope/equipment questions submitted from competitors or advisors to the competition department staff and/ or Technical Committee after 5pm two (2) weeks prior to the competition, **Friday April 17, 2020** are not guaranteed a response.

CONFLICT RESOLUTION PROCEDURE

The Conflict Resolution Procedure is in place to ensure all competitors are treated equally and fairly during the Qualifying and Skills Ontario Competition. If a competitor feels they have been treated unfairly, they are asked to begin the process by:

- 1) **Informal:** starting an *informal* protest, either verbally or in writing to the Technical Committee Chair. It is encouraged that the *competitor* discusses the informal protest with the Technical Committee Chair **as soon as possible during the contest**. Through discussion, the competitor and Technical Committee Chair will work to determine a resolution to the situation. The Director of Competitions and/ or the Conflict Resolution Committee may be referenced.
- 2) **Formal:** If a *competitor* who is directly affected by the situation would like to submit a *formal* protest he or she may start the conflict resolution procedure at any time during the contest, up until fifteen (15) minutes after the contest ends. See contest Scope for contest agenda/ times.

Protests can be made by the **competitor only** (not a teacher, guardian, etc)

For more details on the Conflict Resolution Procedure, please visit <https://register.skillsontario.com>

CONTEST SCOPE OUTLINE

Contests offered at the Skills Ontario Competition are designed to reflect a technical occupational path and emphasize the “technical” aspects of the subject. As such, most contests include a theoretical component (approximately 10% of scoring) and a practical component (approximately 90% of scoring). Where possible, contests are designed to include “national standards” as benchmarks for specifications and judging criteria.

Please ensure that competitors and their teacher/advisors review the scope for their specific contest and this Competition Information guide well in advance of attending the Qualifying Competition and Skills Ontario Competition. They should both be read together for full interpretation and understanding.

What is a contest scope?

Scopes summarize each contest and specify the following information:

- purpose of the contest
- skills and knowledge to be tested & judging criteria
- materials the competitor must supply & materials that Skills Ontario will supply
- safety requirements
- location, date, duration and timing of contest
- level of contest and its technical committee members
- any additional subject matter the competitor should review

Scoring

If a scope's instructions are not followed, appropriate deductions will occur to the judging criteria for the competitor/ team, at the discretion of the Technical Chair/ Committee.

IMPORTANT:

- Qualifying Competition scopes are **DIFFERENT** from provincial contest scopes.
- Changes may occur in the scopes up until two (2) weeks prior to the competition. It is the responsibility of the competitor and advisor to ensure they have the most up to date version. The dates of postings will be reflected with the scopes on the website.
- **BYOD for 2020:** Many computer based contests now **require** competitors to bring their own computer/laptop/device. Refer to the 2020 version of your contest scope for details.
- **New for 2020:** Mandatory job interview component for every contest has been removed. For Technical Committees that have opted to continue to include the interview component, it must be identified in the contest's scope and not exceed 5% of the competitor's/team's final mark.

Scopes should be posted on the website (www.skillsontario.com) by the end of January 2020. As we do our best to post scopes by the end of January, there are other factors that may not allow for this to occur. If the contest scope is not posted, please continue to check the website. Past scopes are also available on the website as a reference and as a preparation tool. If there is any additional documentation, project drawings, or project examples, they should be posted by the beginning of March.

Skills Ontario cannot post the provincial scope for a contest, until the national scope is posted on the Skills Compétences Canada website.

MEALS

PLEASE NOTE: If the competitor has specific dietary needs/restrictions or tastes it is recommended they bring a lunch/snacks with them.

Skills Ontario will provide a basic lunch and a beverage for registered competitors. A non-meat option that accommodates vegetarian, vegan and halal preferences will be made available **ONLY if selected** when completing the competitor registration form in the online system. No alternative meals will be provided.

Competitors should bring a **refillable water bottle** for use throughout the day as water stations will be made available on/near the contest sites.

If the competitor is part of a contest of a physical nature, it is highly recommended they bring additional snacks.

ANY FOOD BROUGHT TO THE VENUE MUST BE NUT FREE. ANY NUT PRODUCTS FOUND ON SITE WILL BE REMOVED.

SKILLS CANADA NATIONAL COMPETITION/ WORLDSKILLS

Skills Ontario sends medal recipients to the Skills Canada National Competition (SCNC) as representatives of **Team Ontario** each year. This year the Skills Canada National Competition will be held in **Vancouver British Columbia, May 27 - 30, 2020**.

Even years are a qualifying year for WorldSkills occurring on odd years. On an even year if a competitor qualifies for a spot on Team Canada during SCNC for WorldSkills, they will compete again as a Team Canada Prospect at SCNC the following year to vie for the spot to compete at WorldSkills. Example: SCNC Gold and Silver winners on an even year, will compete against each other again the following odd year at SCNC. The winner at SCNC on the odd year, will continue to WorldSkills that same odd year in August.

Ontario competitors will be notified if they are advancing to the national competition upon receipt of their medal at the Skills Ontario Competition **Closing Ceremony**. A **mandatory Team Ontario meeting** will follow immediately after the Closing Ceremony. This includes travel details, package pricing, registration and instructions. Competitors must **immediately provide Skills Ontario with their decision of whether or not they will be participating** and register by the deadline before/ by **5 pm on Friday May 8, 2020**. There are no exceptions. If a competitor decides not to participate at the national competition, their spot will be offered to the next medal recipient.

Please note that not all Skills Ontario contests and levels are eligible for the Skills Canada National Competition. Refer to the Skills Ontario Competition Contest List in this document for contests offered at the Skills Canada National Competition. The list is subject to change, as determined by the National Secretariat.
